

Submission Procedure

- The assignment should be submitted in a **handwritten** format.
- You must write it in A4 pages containing a cover page. You **must have to write on both sides** of the paper. Writing on only one side of the page will lead to a mark deduction.
- **Deadline: Exam Day (13 July 2025)**
- Submit it my office room **(919)**.

Questions

1. **ALOHA**
 - (a) Describe the complete **workflow** of how a station transmits data using Pure ALOHA.
 - (b) Mention what happens in case of a collision and how the protocol handles retransmissions.
2. **CSMA/CD (Carrier Sense Multiple Access with Collision Detection):**
 - (a) Describe the **step-by-step process** of how a device accesses a shared medium using CSMA/CD.
 - (b) What is **collision detection** and how is it handled during and after transmission?
3. **CSMA/CA (Carrier Sense Multiple Access with Collision Avoidance):**
 - (a) Explain the **workflow** of CSMA/CA, especially how it **avoids collisions**.
